Highway or bathroom?

Asphalt or tiles? From the motorbike proof CombiBag to the wash bag: our products are designed to enhance their promotional appeal in any surroundings. The HIGHWAY series bags are made of hardwearing truck tarpaulin material and sell in three colours. They are part of the more than **150 articles** of the **pro design®** product line which, depending on the type of product, offers up to **ten different colours**. So, let's talk about bags!

When it comes to development, conceptual design, workmanship and refinement as well as customer service, **pro design®** is synonymous with bags and backpacks for promotional use. For further information on **pro design®** go to www.halfar.com or simply write for our extensive general catalogue.

...because **pro design®** is undoubtedly the home of bags and backpacks
