15" or 80 gigabyte?

Monitor diagonal size or hard disk capacity? However different hardware dimensions may be, our bags and backpacks continue to set new standards. The padded WAVE laptop bags are designed to provide smooth transport of laptops and are available in three colour combinations. They form part of our great *pro design*® range with over 150 models in up to **ten different colours**, depending on the item. So: let's talk about bags!

pro design® is the brand for bags and backpacks in the field of promotional items – we take care of concept, design, finish and customer service. You will find more information on *pro design*® at www.halfar.com or simply ask for our comprehensive catalogue!

...because *pro design*® is undoubtedly the home of bags and backpacks
