The new **Bullet Trend** bag made of high pressure resistant bullet proof nylon is another asset to the successful modular system of **pro design**<sup>®</sup>. **Bullet Trend** is part of the **CorporateBags** (former Trend<sup>37</sup>) product group, with combined production in Asia and Europe. The completion with lock laces in ten different standard colours or special colours on request starts from as little as 50 pieces. Your benefit – maximum creativity and individuality along with short delivery delays at favourable prices.

**pro design**<sup>®</sup> is the brand for bags and backpacks in the field of promotional items – we take care of concept, design, finish and customer service. You will find more information on **pro design**<sup>®</sup> at [www.halfar.com](http://www.halfar.com) or simply ask for our comprehensive catalogue!

...because **pro design**<sup>®</sup> is undoubtedly the home of bags and backpacks
