

No bag. No rucksack. Just bandee:®

Mobile phone, keys, money, i-pod...that's too much for any trouser pocket...but it's really too little for Rucksack & Co. It's a good thing there's something that is perfect in every way – the bandee:®. Now new at Halfar®, the bandee:® offers complete mobility with maximum style. It's ultra light and can be adjusted individually. Spot on for active people, who always want to be in control – while doing sport, shopping, simply anywhere... And also perfect for those customers who want their logo to leave behind a lasting impression among the mobile audience. **More at www.halfar.com**
